Re: Modification to Approved Plan  
CMS Landfill V  
Permit No. 13-04

Dear Mr. Amar:

The Solid Waste Section hereby approves the modification to testing requirements for structural fill materials to one test per 50,000 cubic yards placed as requested in correspondence of April 24, 1998. The request and this approval letter will be added to the list of approved documents for Solid Waste Permit No. 13-04.

If you have any questions or comments, please contact Sherri Coghill at (919) 733-0692, ext. 259.

Sincerely,

*James C. Coffey*
